

LIFE GROUP DISCUSSION QUESTIONS

Date: August 27, 2023

Sermon Series: Psalms

Sermon Title: TBD

Scripture: Psalm 63

Speaker: Richard Conrod

1. The subscription tells us that David wrote this psalm while he was in the wilderness. What are some of the physical needs you might have while spending an extended period of time in the wilderness?
2. How does David turn his physical needs into a time of prayer and praise?
3. How do we develop an appetite for the worship of the LORD our most pressing need?
4. How might v6 help us with worry and anxiety at night? (Will you commit to trying to this for the next week?)
5. Could you have v8 said about your life? If yes, then how do you cling to the LORD? If not, then what can be done today to change that? Share if you are comfortable to do so.
6. What does Psalm 63: 9-11 tell us about those who sought to destroy David? Does that give you any hope in your personal life as you live for God?
