Sermon Series: Psalms

Sermon Title: TBD

Scripture: Psalm 35

Speaker: Stephen Mannix

1. Why do you think David would envision the LORD dressed as a Soldier dressed in armor and wielding His weapons?
2. What is the best course of action to follow when you are falsely accused, criticized, or slandered?
3. What is your reaction towards the LORD when He does not answer your prayers according to the timeline you would like things done? What was David's reaction?
4. David knew what the LORD wanted him to become, his calling was clear. How do you know what the LORD is calling you to do? How do you respond to the challenges to that along the way?
5. How do we change our desires from what we want to happen on the timeline we want it to happen, to what the LORD calls us to do on the timeline He has for us?
6. Are you able to say that your life is reflective of verse 28? What are some of the "God stories" in your life?
